

FINANCIAL ASSISTANCE PROGRAMS

Oregon Imaging Centers recognizes the need for programs that assist patients with their health care costs. We are committed to providing assistance through the following programs:

20% Discount for Full Estimated Payment on Day of Service

If you are uninsured or receiving a service not covered by your insurer, and you pay the full known charges on the day of your service, you qualify for a 20% discount.

- Discount applies to all medically necessary services performed at Oregon Imaging Centers (excludes lab, pathology fees for biopsies and radiologist reading fees). The discount will also be applied to subsequent charges such as contrast and supplies.
- No financial qualifications or forms to complete.
- Pay by cash, check or credit card. Oregon Imaging Centers does not bill insurance if you elect to use this program.
- You agree to pay the remaining balance, if one exists due to contrast, supplies, or additional services, within the first billing cycle or the discount may be reversed.

Payment Plan

- For balances exceeding \$75.
- Requires establishing a Payment Plan Agreement with the Billing Department and returning the signed Agreement with your first payment.
- No interest four month payment plan.
